WINNER'S CIRCLE

Fifteen leaders across industries came together for a sit-down dinner at The A Club, Mumbai's hottest members-only destination. Part of host Aabha Bakaya's Ladies Who Lead (LWL) platform that brings together professionals to mentor aspiring women, the event saw Namita Thapar (CFO, Emcure Pharmaceuticals), Schauna Chauhan (CEO, Parle Agro), Cindy Jourdain (founder, Cindy's Bootcamp), Gauri Tandon (co-founder, Isharya), Sonal Singh (director, Christie's, India), Shreya Lamba (co-founder, Mommy Network and Mumum Co.), Shweta Bhatia (partner, Eight Roads) and LWL co-founder Jinanda Sheth. Gifting partners Nourish Organics's healthy food hamper of gluten-free goodies, and Estée Lauder's takeaway bags of iconic beauty essentials made sure the guests went home happy.
